

marlev

made of aluminum

Marlev is a Romanian brand based on outdoor furniture with an international perspective on outdoor living. Born of an idea of creating a versatile assortment of high-quality designs that supports a simple concept – made for moments.

By that we literally mean every moment where it is possible to check-out' and enjoy 2 minutes on your own, time with friends or dinner with family. Marlev is created for gardens, terraces and urban spaces. We strive to be part of many types of moments, hence the versatile mix of furniture and expressions. What ties it all together is a passion for timeless design, premium quality and sustainability.

Marlev – made for moments.

A lush, green garden scene. In the foreground, a simple wooden bench sits on a grassy lawn. A path, bordered by tall, leafy trees, leads from the bench into the distance. The trees form a natural archway over the path. The word "GARDEN" is written in large, white, outlined capital letters across the middle of the image, partially obscuring the path and trees. The overall atmosphere is peaceful and verdant.
